

Level 2 Certificate

An extension from Level 1. This training of 12 hours over 8 weeks will train you in developing stroke power, selecting correct stroke in context, introduce court tactics and practice routines. You will learn to play all court positions for all forms of the game.

An opportunity to:

LEARN A SKILL – HAVE FUN – GET FIT – MEET PEOPLE

At the completion of this certificate, you will be able to join other existing badminton groups, play competitively in other groups, extend your abilities through our advanced training modules and/or participate in our graded competition sessions.

We provide all equipment, although by this stage you will probably have your own racquet. You just need sports shoes, suitable sports clothing and a towel.

Our instructors are qualified by Badminton Australia and are passionate about the sport.

This is new to the Central Coast in 2012. We are offering this at an **Introductory Price of \$180**. We also have a system where we credit members' accounts \$20 for any new person they introduce that signs up to any of our training modules.
